

## Accessibility Policy

### Name of Club: J Star Gymnastics -

This policy should be read in conjunction with our Health and Safety policy and British Gymnastics Health and Safety Policy, which we have also adopted. We endeavour to continue to improve our facility to make the building as accessible as possible.

#### Access to building

Already in place	Still to put in place
<ul style="list-style-type: none"><li>• The width of all doors on ground level are suitable for wheelchair users</li><li>• Floor outside front door has very small slope leading into building. (no steps)</li><li>• Flooring outside front of building is easy to travel across for wheelchair users/people with mobility issues</li><li>• No specified disabled parking spaces but car park has plenty of spaces with adequate room for wheel chairs.</li><li>• Change in height in the middle landing of the stairs is highlighted by a florescent yellow strip.</li></ul>	

#### Kitchen/toilet facilities

Already in place	Still to put in place
<ul style="list-style-type: none"><li>• Vinyl floor is level throughout waiting room, function room, kitchen area and toilets</li><li>• Upstairs is not accessible for wheel chair users. It is only accessible by a set of stairs.</li><li>• Clear signage with symbols to help people with reading or cognitive problems or if English isn't their first language</li></ul>	<ul style="list-style-type: none"><li>• Hand rail in toilet cubicle</li><li>• A lock on the outside bathroom door if wheel chair users can't close the cubicle door</li><li>•</li></ul>

#### Gym facilities

Already in place	Still to put in place
<ul style="list-style-type: none"><li>• Changes in floor surfaces mostly represented with changes in colours to aid people with visual problems</li><li>• Changes in floor height are limited so one half of the gym is the same height flooring and can be used without steps up or down</li></ul>	<ul style="list-style-type: none"><li>• Some changes in floor surfaces still need better distinction</li><li>• A small slope by the drop off zone to prevent tripping when you enter the gym.</li></ul>
